REBER PLAN IS EXPLAINED AT FARM BUREAU MEET

The Reber Plan—an amazing engineering dream of cutting San Francisco Bay into three segments—fresh water lake north and south and a salt water bay in between—was the subject of a talk last Tuesday evening before the Eden-Washington Center of the Farm Bureau at Washington Union High School. The speaker was the originator of the plan—John Reber of San Francisco.

"Some city on the West Coast is going to be the biggest city in the world," Reber says. "Probably it will be Los Angeles—but given the right man-made facilities, it could be San Francisco."

Briefly, the plan envisions two great dikes across the bay—one running from San Francisco to West Oakland and one from Point San Quentin to Castro Point west of Richmond, walled with rock and filled with silt from the bay bottom. The two fresh water lakes thus created would be connected with a broad ship channel on the Oakland side, shut off from the bay by a wide belt of filled land. Crossing the belt would be a multiple set of ship docks. It is estimated that the work would take two years and 200 million dollars.

Highways and freeways would connect the two sides of the bay with mile-a-minute road and subsurface tube transportation, paralleled by rail transportation. Separate airports on reclaimed land would handle freight and passengers. All passenger transportation—ship, plane, bus, train—would converge on one huge union terminal.

The plan would make 100,000 acres of industrial sites available. Created as a part of the plan itself would be 20,000 acres, which, Reber points out, "is about two-thirds the present area of all the city and county of San Francisco."

In August, as the result of a resolution of the United States House of Representatives passed February 20, a joint committee of the War Department and the Navy Department meeting in San Francisco will consider the alternatives of adopting the Reber Plan or the project of another bay bridge, from San Francisco to Bay Farm Island. The resolution was passed in consideration of transportation difficulties encountered in San Francisco by the military during the war.

Of interest to residents of this section of the bay area is the question: If the southern end of the bay were made into a fresh-water lake, what would happen to the salt industry at Newark?

INJURED IN ACCIDENT ON CENTERVILLE ROAD

Ray Pearce of Newark and Anoldo Bassignani of Niles received minor injuries when their automobiles collided on the Niles-Centerville road last Sunday afternoon.

Bassignani was returning from the high school, where his brother, Dwino, graduated that day, when the accident occurred.

CHAMBER FAVORS MORE BUS SERVICE

The need for additional bus service for Newark was recognized by the Newark Chamber of Commerce at this week's meeting, according to President R. A. Jolly. The motion was passed to send a letter to Peerless company seeking service into Oakland at 10:30 o'clock in the morning.

The president also reported that the chamber is asking the State Division of Highways for a marking of Thornton avenue in Newark. It is planned to get a ruling from the state to mark off the curbs and gutters from the state highway.

INCORPORATION VOTE FOR DECOTO NEEDS MONEY

It will require about $500 of petitioners' money to bring the matter of the incorporation of Decoto to a vote, it was learned at a meeting of advocates of incorporation at a meeting Monday at the International Hall. This sum will defray expenses of attorney's fees, mapping, filing and publication of required notices. Of this expense, $150 already has been paid for maps and research.

According to Tony Bautista, chairman of the Progressive Club of Decoto, more than 140 signatures already have been affixed to the petition for an election on incorporation, which will be presented to the county board of supervisors in two or three weeks.

At Monday's meeting the Progressive Club was set up on a formal basis, with initiation fee of $1 monthly and dues of 25 cents.

HOSPITAL IS SUBJECT OF MEET

A number of township doctors and others of the township interested in establishment of a township general hospital met Tuesday noon at the International Kitchen at the request of Dr. G. S. Holeman of Centerville to confer with two representatives of the State Department of Public Health.

The two men wree Dr. P. K. Gilman, chief of the bureau handling the federal hospital survey, and Dr. R. J. Stull, hospital consultant to the bureau.

Dr. Gillman explained the interest of the federal government in subsidizing through the various states of an improved hospital program for the entire nation. As for any clarification of how Washington Township can secure a hospital, the meeting was indeterminant. The state men came to the meeting with the impression that this area could be accepted under state legislation passed last year allowing hospital districts. However, interpretations thus far heard locally has been to the effect that Washington Township is excluded because it is part of a county having a population of more than 200,000, which is the legal population limit restricting counties under the law.

Among the various facts learned by the local men was that present costs of hospital construction approximate $10,000 per bed. On the basis of assuming that the township needs at least a 30-bed hospital, the minimum cost would therefore be $300,000.

Attending the meeting in addition to the guests were: Drs. G. S. Holeman, Lyle Buehler, Merle Buehler and E. M. Grimmer, and Attorney E. A. Quaresma, Mrs. Gladys Williamson of the Oakland Tribune, William Neill of the Washington News, and L. R. Batman of the Township Register.

NEW PASTOR FOR NEWARK CHURCH

The Rev. Carl D. Soults of El Monte will be the new pastor of the Presbyterian Church in Newark, it was announced this week, following the departure to Parkside, Oregon, of the Rev. James Brown and his family this week.

Rev. Soults, whose wife is a cousin of Mrs. Brown's, plans to move to Newark by July 1, when he will assume his new duties. The Soults have two daughters, six, and 14 months.

WORK STARTS ON SEWER PUMPING PLANT

Construction work was started this week on a pumping plant that will correct overflow conditions in the sewage disposal system of Newark, according to George A. Coit, president of the sanitary district. The booster system is placed below the chemical works in the overflow of the disposal system.

The other contestants were: Gloria Nunes, 17,700; Yvonne Calderia, 8,800; Marian Green, 5,600; Vivian King, 4900; Ramona Espinosa, 2,500. Runner-up prizes were presented by the Irvington Promenaders as follows: Dorothy Amaral, $100; Annabel Vargas, a $50 war bond; Betty Brandt, a $25 bond; Gloria Nunes, a $25 bond.

It Will Take Work to Get That Hospital!

EDITORIAL

A few months ago attention of the township was focused upon the need here for a local general hospital and the subject came up at a number of meetings of community groups. There has been some recent chafing at the leash, some impatience because no specific step has been taken yet toward establishing a township hospital.

This impatience stems from an unfamiliarity with the facts. It is generally conceded that the best set-up for a hospital is that it be a public-owned institution and tax-supported. Under California law, according to available interpretations, no area in Alameda county can form a hospital district, although in counties under 200,000 population districts can be formed.

On the face of it, this law is discriminatory against an area such as Washington Township which is part of a county having over 200,000 population. This discrimination was brought to the attention of the Washington Township Planning Committee at its last meeting.

For several weeks plans have been under way by this committee toward constructive action. Secretary Edward E. Enos has asked State Senator Arthur H. Breed and State Representative Francis Dunn Jr., to meet at their earliest convenience with the local planning committee to consider changing the present law at the next legislative session to allow formation of a hospital district in Washington Township.

Until this has been done, or has been attempted and defeated, it would not be wise to take any other step toward setting up a permanent local hospital. It has been demonstrated in a great many instances that private hospitals or subscription-supported hospitals are inferior to public hospitals.

It seems obvious that the people of Washington Township want a community hospital. The wisest course can not be hasty, but rather should be deliberate and along the soundest lines. Because of material scarcity, construction of any hospital here could not be undertaken for probably another two years, and in that time it should be possible to secure favorable state legislation allowing formation of a hospital district which could issue bonds to raise funds for construction and levy taxes for operation and maintenance.

We believe that township doctors, the planning committee and various other groups and individuals interested may be counted upon to give every effort to the best interests of Washington Township in obtaining a local general hospital. But it will take time.

Coronation Ball, Parade, Dances To Highlight First Apricot Festival

Washington Township's first Apricot Festival is here—with a two-day fiesta of exhibition dances, a queen's parade, decorated floats, marching units, carnival, wrestling matches, jeep rides for the kiddies, and a queen's coronation ball.

Gaily decorated with flags and bunting, Irvington is holding open house Saturday night and Sunday for the township celebration. The queen's coronation ball starts at 9 o'clock Saturday night at the Irvington school, the event which touches off the festival.

Crowning of Festival Queen Ellen Marie Hall at 10:30 by Assemblyman Francis Dunn will highlight Saturday night's ball. It will be a full evening of dancing to Pinto's orchestra, with Joe Blacow as master of ceremonies.

Sunday morning will see a varied, colorful display of entries along the parade route. Headed by the American Legion colors, the board of supervisors, and the high school band, the parade of about 50 entries will leave the Irvington railroad depot at 10:30 in the morning and proceed down Main Street to the monument up Mission Street to Robert, to Washington, the highway, and into the festival grounds at the school.

The festival dance program is set for 1 o'ciock Sunday afternoon in the decorated grounds behind the school. The continuing program will feature folk dance groups exhibiting native dances in authentic costumes. The Neapolitan tarantella, California schottische, Swedish polka, the chamarita, Mexican chapenica are some of the folk and square dances that will be the background for the afternoon's carnival activities.

Not only the exhibition dancers, but the spectators that mill about the booths and concessions will have appropriate costumes. The Irvington Promenaders, sponsors of the festival, say the best formal dress will be jeans, plaid shirts and colorful hats.

Gus Robertson, publicity chairman, said the ladies may pick their own version of this gay attire for their escorts.

The school grounds are lined with booths to provide entertainment, displays of the various industries in the township, or balloons for the kids. There'll be hot dogs, popcorn and soda—and when the kiddies want no more sweets and have broken their balloons they can go for rides on ponies and in jeeps.

A souvenir program will be distributed so that visitors won't miss anything and will remember this first Washington Township Apricot Festival.

Sunday morning's long parade will have the following succession of entires:

American Legion colors, board of supervisors, high school band, ladies' auxiliary of the Irvington Fire Department, Irvington Fire

SWIM CLASSES TO START AUGUST 7

About 200 Niles and Centerville children will get a chance to learn to swim this summer in a program arranged by the Washington Township branch of Oakland Red Cross, the Niles Rotary Club and the Niles public schools.

The course, which will run from August 7 through August 28, will be taught at Elderberry Pool, according to Robert F. Blacow of Niles, vice-chairman of the Washington Township branch of Oakland Red Cross. Registration for the classes has already started in Niles schools under the direction of Elmer Bristow, principal of the grade school and president-elect of Rotary.

REGISTER HERE

Registration cards for free swimming lessons may be obtained at the office of The Township Register.

Dale Roe, director of first aid and water safety for Oakland Red Cross, will supervise the instruction in the course. He said this week that registration will be limited to children aged 8 through 14, but that any child in those age-groups can join, swimmer or non-swimmer.

"Classes will be held three days a week, on Mondays, Wednesdays and Fridays," Roe declared. "Each class will meet ten times and instruction is planned to enable the student to pass one of the standard Red Cross Water Safety tests and earn a certificate."

"The Red Cross instruction for the course is free," he continued, "and the Elderberry Pool has made a special admission charge of fifteen cents each meeting, for the course. Students must bring their own bathing suits and towels."

SOFTBALL GAMES IN SECOND ROUND

The softball league this week started its second round with continued capacity crowds at the nightly double-headers at the high school grounds as best proof of the closely-contested league playing. Veteran Native Sons still hold the lead. All clubs are coming along, however, to promise even harder-fought games as the season wears on.

Mission Firemen took a 4 to 3 decision from Frick's Tuesday night in a game that was really a tough one to lose. The scorekeeper's records show six hits for the Firemen and nine for the Frick men, with three strike-outs to both pitchers' credit. The same night Wedgewood defeated the Woodmen, 10 to 2, with Ornellas, winning pitcher, allowing five hits. Woodmen lost a good chance to score in the fifth inning when L. Bettencourt, Wedgewood's second baseman, traveled far into right field to catch a fly ball and retire the side.

Results of the other games during the week are: Monday — Kleine's 7, Kraftile 0; Central Chevrolet 6; Westvaco 5; Wednesday — Native Sons 5, Westvaco 2; Kleine's 5, Central Chevrolet 1.

Tonight's (Friday) doubleheader brings together a good deal of keen rivalry. Central Chevrolet faces Frick's, and Kleine's and Native Sons play the second game.

Next week's schedule is as follows: Monday—Kleine's vs. Frick's; Mission Firemen vs. Native Sons. Tuesday—Woodmen vs. Kraftile; Wedgewood vs. Chevrolet. Wednesday—Kleine's vs. Westvaco; Native Sons vs. Frick's. Thursday—Woodmen vs. Chevrolet; Mission Firemen vs. Kraftile.

Thinking Things Over...

By VIVIAN BATMAN

The poem below, composed by A. B. Christensen of Thornton avenue, Centerville, seems especially appropriate this week of the Apricot Festival. Not the first stanza, perhaps, but certainly the second. The author, in an enclosed letter, writes that if I don't think it is any good, deposit it in the waste basket.

Well, I should say not! I think this is a very interesting and amusing poem.

In the garden of Eden an apple
Tempted a man, made from dirt;
It was picked for him by a maiden
Who was then the world's only flirt.
She didn't wear powder or lipstick;
Her hair down her back simply hung;
She didn't use toothpaste for smiling,
A plain fig-leaf was her sarong.

How the poor man could fall like a ton of brick
For that combination, with me don't quite click.

Now in Washington Township are maidens,
None fairer there is to be found.
There also are acres of orchards
Where golden ripe cots do abound.
And you should see in the orchard
A maid picking a sweet golden cot,
Then if you're not super human,
Man, you're sure on the spot.
That this could be the downfall of any mere man
Is something e'en I can well understand.

ABOUT NILES

Has anyone noticed this week that the big NILES sign on the hillside back of Niles looks a little different? Perhaps that statement should be qualified to read that PART of the sign looks different.

You see, several ambitious young members of the Niles Junior Chamber of Commerce got to work on the sign and whitewashed the big E and the big S. Time didn't permit the completion of the job last Sunday, so the N, I, and L have yet to receive their whitewash.

The Chamber's young men are still enthusiastic, however, and within the next two weeks hope to make NILES really stand out. Those who contributed their labor to the E and the S included Lawrence Pine, Irwin Borba, Harold Fetters, Harold Burns, Glenn Moorhead and Vernon Ellsworth.

CHILDREN'S STORY HOUR AT CENTERVILLE LIBRARY

A children's story hour will be presented at the Centerville branch library next Wednesday at 2:30 o'clock. Miss Florence Little, children's librarian from the Alameda county library, will conduct the hour of entertainment.

All children in the township are welcome to attend, Mrs. Grace Blade, librarian in charge, said this week. Mrs. Blade, who is also librarian at Dublin, is taking the place of Miss Orsby while she is away on leave.

Among the recent books acquired at the Centerville branch are: "The Fountain" by Ayn Rand, "The Turquoise" by Anya Seton, "The Stars Incline" by Clyde Brion Davis, "Farmer Takes a Wife" by John Gould, and "My Africa" by Mbonu Ojike.

NEW PROPRIETOR FOR DECOTO MARKET

Joseph Gonzales this week took over management of the market on Sixth street near the Decoto school. The business, formerly known as Ray's Market, will now be called Joe's Market. Gonzales and his wife are former residents of Hayward.

PLENTY OF COTS, EXTRA SUGAR FOR HOME CANNING

Unlike many food items which consumers have difficulty in buying, ample supplies of fresh apricots for home canning and preserving will be made available to housewives during the first two weeks in July, the California Farm Bureau Federation advised this week.

An unusually large crop—300,000 tons as compared with 159,000 tons last year—makes it necessary for growers to go outside of the normal commercial canning and drying facilities to avoid any waste of this important fruit, said Ray Klopping of Patterson, chairman of the Farm Bureau Apricot Section.

"Here is an opportunity for consumers to help themselves and the producers as well," said Klopping. "The current international food shortage emphasizes the need for preventing wastage."

The OPA recently announced that spare stamp Number 10 may be used to purchase five pounds of sugar for canning or preserving. In addition, spare stamp Number 9 is good through October 31 for sugar for canning.

University of California scientists demonstrated several years ago that apricots possess certain vitamins which make this fruit unusually healthful. Medical men have recommended the use of apricots as a source of vitamin supply ordinarily obtained from liver and other meats.

MISSION SAN JOSE NEWS

WITH LOIS JUSTUS

Following the graduation exercises at the Mission Grammar school on Wednesday evening last, one of the graduates, Elmo "Cappy" Cunha, was given a party at the home of his grandmother, Mrs. Hortense Andrade, with his mother as hostess. His guests were: Miss Marie Silva, Henry Silva, Mrs. Margaret Spetti, Mr. and Mrs. Anthony Dutra and sons of Newark; William Perreira, Elmo and Betty Andrade and son, David; his grandmother, Mrs. Andrade, and Mr. and Mrs. Tom Santos. After opening his gifts, his mother served cake and ice cream to the guests.

The folks of the Mission are really proud of our Firemen's ball team for at present we are third in the league and are hoping before the end of the season to better that lead. Seems nearly all of the Mission are turning out to root for the team each time it plays.

Miss Isabel Santos of the Mission, daughter of Mrs. Marie Santos, stood with her school chum, Miss Doris Nunes, on Sunday when she became the bride of Jack Allen of Centerville.

Miss Edith Rogers entertained her brother, Leo, over the weekend. He is an employee of the P. G. & E. at Willows.

A week ago on Monday evening Mrs. Sally Souza was tendered a baby shower with Miss Alice Reis and Mrs. Ernest Alberts, sisters of Mrs. Souza, as hostesses. The home was decorated very lovely and, following the delicious luncheon, she opened her many gifts. Those who attended were: Miss Lillian Souza, Aldina Garcia, Kay Burt, Mrs. Irene Harvey and Mrs. Mary Harvey, Irma Vargas, Mrs. Joseph Azeveda, Mrs. Alvina Avila, Mrs. Mary Rogers, Mary Borge, Mary Vargas, Mrs. Marie Semas, Mrs. Margaret Reis, Adeline Harvey, Jay Souza, Elsie Nunes and Mrs. John Ries.

Out of state visitor at the Bill Jibson home is Dean Follette of Logan, Utah.

Four girls of the Mission were among the many graduates from the Washington Union High School class of '46. Miss Gerry Fernandez, daughter of our local librarian, Mrs. Josehine Fernandez, who has been making her home in Centerville with her aunt and uncle, Mr. and Mrs. Matt Whitfield; Miss Arlene McNemar, daughter of Mr. and Mrs. Edwin McNemar; Miss Evelyn Brown, daughter of Mr. and Mrs. Albert Brown of Durham Road; and Miss Dolores Garcia, daughter of Mr. and Mrs. Joseph Garcia. In sorrow we also include Miss Phyllis Mora who received her diploma from "Pop" Goold at the Livermore Sanitarium just a week before her death.

Herman Medeiros, operator of our new Guadelupe Service here in the Mission, and Melvin Souza motored to Santa Cruz with the Stafunch sisters one evening and enjoyed dancing at Cocoanut Grove near the beach.

Sister Columbia of the Dominican Convent celebrated her Diamond Jubilee here at the convent last week. For sixty years she has devoted her life to the church and a number of friends came to visit and also she received many gifts from others who could not spend the day with her.

Miss Lottie Untiedt and a girl friend are spending a needed vacation in various parts of the state and Nevada. They visited Nevada City and Virginia City, ghost towns of the old west, Reno, Lake Tahoe, Richardson Springs and a number of other interesting spots.

Louis Nobriga and his partner in the produce business, Leslie Callahan, are doing a lively business near the county line past Warm Springs. They are both live wires and good workers, so why not stop on your way to San Jose, on the left hand side of the road, and pick up garden fresh vegetables from our local boys and keep your dollars in the community.

Chief Store Keeper Cliff Rogers returned to his mother's home on Monday where he was greeted by his wife, Esther, the former Miss Goularte, and his new little son, Stephen, whom he had never met. Clifford is almost a permanent fixture in the U. S. Navy with six years nearly finished. He was our first enlistee, going in before the war. His pal, Robert Farrell, also of the U.S.N., came home with him and his wife flew from the east to join them, arriving in the morning before the boys arrived at night. They are all staying at the Rose Rogers home till they are discharged or leave on their thirty-day leave for the east.

Mr. and Mrs. Floyd H. Cross and sons, Darol, Stephen, Lanny and Jon, of Redwood City, stopped on Tuesday morning to bid "so long" to his mother, Mrs. Elsie Wilcox, for a month. They are on a vacation trip to Colorado and Texas where they will visit brother Melvin at Jefferson City, and her parents at Montrose, then to Marfa, Texas, to see the Ballin Cross family. Cross is employed at the Redwood City bus lines.

A father-an-son barbecue was held on Father's Day at the ranch home of Joseph R. Telles, for the boys of our Veterans' Club and their 'dads. Very luscious eats were served and all the credit can go to the three chefs, Frank Dias, Frank Vargas and Edward Azeveda. Those in attendance were: Joseph Garcia and son, Ted; Joseph Azeveda and son, Ed; Lawrence Rogers and son, Lorry; Frank Vargas acted as dad for Frank Rogers; Joseph Telles and son, Clarie; Antone Escobar and son, Dave; Joseph Santos and son, Merv; Antone Vargas and adopted son for the day, Joe Telles Jr.; Manuel Amaral and son, Lloyd; and Mr. Ferry and son, Joe.

Mrs. Tuttle and Mrs. Rogers are the new proprietors of the Mission Bell. They opened for business last week and bought out the business of Harley Farris, former owner.

Just before school let out here in the Mission, the home of Mrs. Hazel Millard, lower grade teacher for the school, was the scene of a party given in honor of the second graders who had won by a TKO in the clothing drive. They acted as hosts and hostesses to the first and third graders and were supervised by Mrs. Millard, Mrs. Frank Albert and Mrs. Rose Rogers. There might have been some "tummy-aches" that night for they were turned loose on salad, pickles, potato chips, punch, ice cream and cup cakes. No casualties were reported.

THE NEWS IN NEWARK

BY LOUISE CHAPMAN

To take the place of the Rev. James Brown of the Newark Presbyterian Church will be Rev. Carl Soults. He, Mrs. Soults and their two daughters are moving up from El Monte, a little town close to Los Angeles. They expect to arrive about the first of July.

At the Cub Scout meeting Monday night, 15 scouts received awards. Moving pictures were shown and then, best of all, the refreshments, which consisted of ice cream and cookies.

Donald Meyers, son of Mrs. Grace Meyers, entertained a number of his friends at the family home on Wednesday evening following the graduation exercises at the grammar school. Donald is now a freshman in high school. Mrs. Josephine Fernandez and sons, Nonie and Weezer, Jackie Borge and sister, Elaine, Lester Semas; Dorothy, Ray and Kathy Mendonsa; Gary, Stanley, Margaret and Manuel Phillips and daughter, Sharon, also his sister, Evelyn, and brother, Rick, and his mom were there to help him eat ice cream and cake.

The Newark Girl Scouts enjoyed swimming at the Hayward Plunge Monday evening. Mrs. Blanjean, scout leader, and Patty Costa, her assistant, accompanied 14 of the girls. After swimming, the group stopped at the Cloverdale Creamery for refreshments. They think they were lucky having Mrs. Gunn, Mrs. Martin, Mrs. Collins and Mrs. Scott to chaperone them.

Friends and neighbors are very happy seeing little Patty Faria running around the neighborhood again, after being a very sick little girl. Her parents are Mr. and Mrs. Joseph Faria.

It was deep sea fishing for Clarence Stewart and a friend about a week ago. It was a perfect day, only the fish weren't biting.

Norma Jean Santos, Waunita LeCount, Wanda LeCount, Loretta Caldeira and Leona Miller were the Newark members of the graduating class of W.U.H.S. last Sunday.

The Chapmans had a surprise visit last Wednesday evening when Mr. and Mrs. Withers and daughter, Adriene, and a friend, Mr. Dennis Ebel, dropped in from Fairfield. After dinner the men went to the softball game where "Chappie" was to play.

The Donald Dias family have moved into their new home on Dairy avenue.

Mr. and Mrs. Alfred LeMar left Monday for a week's vacation. They will travel on the Redwood Highway.

The Bluebird Club had their regular social meeting at the home of Mrs. Mabel Gallow Friday evening. Members decided to dispense with meetings for the next two months, due to vacation.

Mr. and Mrs. Bud Hetherington and daughter have moved into their new home.

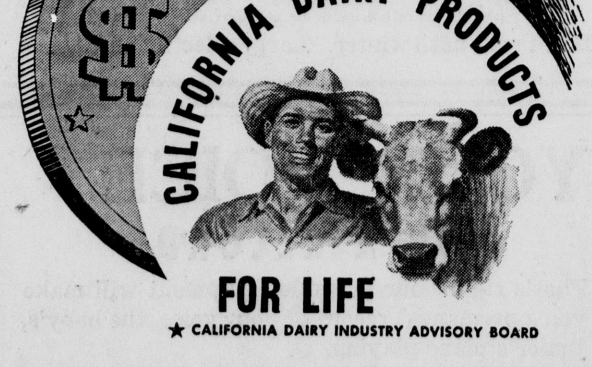
DAIRY PRODUCTS GIVE YOU MORE FOR YOUR FOOD DOLLAR!



FOR LIFE
★ CALIFORNIA DAIRY INDUSTRY ADVISORY BOARD

"HOW CAN I FEED MY FAMILY PROPERLY and still keep within my budget?" is the biggest question facing most housewives . . . not once in a while, but *all the time!*

One simple, basic answer to that question is, *"Use more dairy foods."*

Dairy foods supply the minerals, vitamins, proteins and carbohydrates in the well-balanced proportions you need for health, growth and vigor. They are the richest food source of calcium, needed for strong bones, beautiful teeth, clear complexions.

From the standpoint of nutritional values, dairy products are your most economical foods. *At twice the price, they would still be your best "food buys."*

California Dairy Products . . . For Life

★ *The California Dairy Industry Advisory Board is supported by all producers and handlers of dairy products within the State under authority of an Act of the State of California administered by the Director of Agriculture.*

IT PAYS TO *Borrow* AT CENTRAL BANK

WHEN you borrow from Central Bank to buy a home or other property, you get protection on three vital points.

1. Title search and insurance guarantee validity of title.
2. The property is carefully appraised; you get expert opinion as to its value.
3. Your interests are considered just as we consider the interests of our depositors whose money we lend; we will not make a loan on terms which our experience indicates the borrower cannot meet.

And in borrowing from Central Bank you have this additional advantage—you establish a valuable banking connection.

If you're planning on buying property, make your loan at Central Bank. It pays.

CENTRAL-ize your banking!
WHEN you do all your banking at Central Bank you save time, you improve your credit standing at Central Bank, and you get careful, personal service on every banking need.

The Donald Lemos' Honeymooning in South

Honeymooning in the southern part of the state are newlyweds Mr. and Mrs. Donald Lemos who said their "I do'es" last Sunday at Corpus Christi Church in Niles with Father Hennessey officiating.

The bride, the former Albe Mae Costa and the daughter of Mr. and Mrs. Tony Costa of Niles, chose for her wedding attire a white satin gown with a long train of net and satin, and a short veil trimmed in lace and orange blossoms. She carried a bouquet of orchids and bouvardia.

Vivian Griffith, maid of honor, and the bridesmaids, Thelma Costa and Winifred Lemos, were in aqua blue brocaded satin with large net hats, also in aqua blue. They carried French bouquets of yellow roses.

The bride's mother wore a navy blue suit and hat with pink accessories and a corsage of butterfly orchids. The groom's mother was in a light blue suit with white accessories and a corsage of butterly orchids.

Milton Lemos, the bridegroom's cousin, did best man honors and ushers were Raymond Peterson and John Souza.

The altar was beautifully decorated in white daisies and gladiolus. Adding to the beauty of the ceremony was the wedding march played by Mrs. Margaret Crane and two solos, "Ave Maria" and the "Pontis Angelicus," sung by Mrs. Rose Vieux.

Following the ceremony, a reception was held at the Veterans Memorial Building, where the cutting of the wedding cake took place after the unwrapping of the many lovely gifts.

Miss Janice Roderick was the lucky girl who caught the bride's bouquet.

Hendersons Entertain

Mr. and Mrs. R. T. Henderson, and their daughter, Lorraine, have been entertaining their niece and her cousin at their Niles home. Mary Henderson, whose home is in El Segundo, came to this community to spend a two weeks' vacation.

Hills Return From East Coast

Back to their Alvarado home after a flying trip east are Mr. and Mrs. A. B. Hill, who returned last Friday bringing with them their daughter, Judy, who has been attending school at Radcliffe College in New York.

Mr. and Mrs. Hill left May 31 for Boston by plane but were grounded several times due to bad weather. They found Boston and Cambridge most interesting, especially the narrow twisting streets.

New York, too, they found very interesting — the Empire State Building, Rockefeller Center and the subways. They attended the popular stage play, "Born Yesterday."

Yesterday (Thursday) Judy and a former Castilleja friend, Miss Beverly Coke, sailed on the Matsonia for the Hawaiian Islands, to be gone a month.

To Bakersfield

Anthony Avilla and George Rodriques of Centerville motored to Bakersfield over the week-end.

Graduation Party For Irvington Boy

A graduation party was held at the home of Mr. and Mrs. Lawrence Rose of Maury avenue, Centerville, Saturday evening, in honor of their son, David Rose, who graduated Friday evening from the Irvington grammar school.

The young boy received many lovely gifts from his friends and relatives. The evening was spent dancing and delicious refreshments were served later in the evening.

Among those present to help celebrate this occasion were: A. J. Oliveira of San Leandro, Mr. and Mrs. Tony Souza and family from Hayward, Mrs. Ida Sousa from San Mateo, Mr. and Mrs. Raymond Oliveira and family from Salinas; Mr. and Mrs. Loren Godwin and son from Niles, Mrs. George Souza from Niles, Mr. and Mrs. Ed Rose of Newark, Mr. and Mrs. John Oliveira Jr. of Newark, Mr. and Mrs. Phillip Sousa of Centerville, Mr. and Mrs. John Oliveira Sr. of Centerville, Mr. and Mrs. Tony Oliveira of Centerville, and Mr. and Mrs. Lawrence Rose and family.

Takes Office Position

Vivian G. Reina of Centerville has taken a position in the office of the Joe Adams automobile company. She is a graduate of Washington union high school, class of 1946.

Locate in Auburn

Mr. and Mrs. Charles Brown, former residents of Decoto, recently moved to their new home in Auburn. They were proprietors of the Decoto Shoe shop while in this community.

Vacationing in Washington

Mrs. Albert Brown and daughter, Evelyn, of Irvington, left for a two weeks' vacation to Washington. There they will visit with Mrs. Marie Rice, formerly Marie Brown, Mrs. Brown's daughter.

Returns from Oregon

Mrs. Inez Calderia is back at her beauty shop in Irvington following a two weeks' vacation in Oregon. She accompanied her brother, Thomas Absher, to their home in Cottage Grove, Oregon, for a family reunion. Her brother was returning home for the first time following overseas service.

Alberta May Menezes Graduates Tonight

Alberta May Menezes of Alvarado is a member of the graduating class that will hold its exercises at San Jose State College tonight. The daughter of Mr. and Mrs. John Menezes, an alumna of Washington Union high school, has taken a teaching position at the Centerville elementary school.

Her parents and close relatives and friends are making up a party to witness the graduation exercises. The graduate will be guest of honor at an open house party to be held tonight in the patio of the home of her aunt and uncle, Mr. and Mrs. Antone Santos of Alavarado.

All White Wedding For Doris Nunes

It was an all white wedding for Doris Nunes last Sunday when she became the bride of Jack Allan of Irvington at a high noon ceremony at the Holy Ghost Church in Centerville.

Given away by her father, Alfred Nunes of Centerville, the bride said her vows in a beautiful setting of white shasta daisies and mock orange, dressed in a white satin and net gown with sweetheart neckline, finger-tip veil held in place with beaded coronet, and a long train. She carried a bouquet of gardenias, orchids and bouvardia.

The maid-of-honor, Miss Gloria Nunes, the bride's sister, was also in white, wearing a white net and taffeta frock, with bouffant skirt and tight bodice. She wore a white net hat, and carried carnations and sweet peas. The bridesmaids, Geraldine Mancebo and Isabel Santos, were in brocaded taffeta and carried bouquets of sweet peas.

The flower girl, Margaret Nunes, was in white marquisette with satin bows and carried a French bouquet.

Doing best man honors was Bill Allan, while ushers Bill Mancebo and Rlaph Allan escorted the guests to their seats.

Inez Silva played organ music for the ceremony.

At four o'clock a reception was held at the Parish Hall, after which the newlyweds left for a honeymoon that will take them to the southern part of the state.

The bride, a graduate of Washington Union High School, has been employed at the Bank of America in Centerville. The benedict, who spent 38 months with the Navy in the South Pacific, is presently employed at Pacific States Steel in Niles.

The couple will make their home in Irvington.

Niles Artist at S. F. Museum of Art

Mrs. Ethel Grau, Niles artist, had the honor this week of being chosen by ballot of fellow exhibitors to exhibit her work in the water color "annuals" being held at the San Francisco Museum of Art. She was nominated for an invitation to a small but representative bay region water color exhibit in connection with a review of water color paintings. The exhibit, which opened June 18, will close July 14.

Mrs. Grau, with another artist from San Lorenzo, leaves next week for the Mother Lode country on a sketching tour.

Rev. E. A. Groves Jr. Becomes Father

It's a boy for the Rev. and Mrs. E. A. Groves Jr. The young son born at Mills Hospital in San Mateo June 17, has been named Edward A. Groves III. He weighed six pounds and twelve ounces at birth, and mother and son are said to be doing very nicely. His daddy is the Vicar at St. Jomes Episcopal Church in Centerville. Little Edward is the first child.

CANYON HEIGHTS NEWS
By MARY PURDY

Dr. and Mrs. Don Gomez and children, Donna and Juan, attended the Sonoma Centennial and the Millerick Ranch Rodeo last Sunday. While there they visited with many old friends from the Sonoma Valley where the Gomez family were former residents.

Mrs. Ira Howard visited in the home of her sister and brother-in-law, Mr. and Mrs. J. D. Nunn, in Maderia last week-end. She also attended the church state conference being held there in which Nunn is the state president of the Young Peoples' Association.

Wayne White and Patricia and Dennis McKiernan are ill with the measles this week.

Miss Dorothy Phillips of El Portal, Calif., is spending a few weeks visiting in the home of her sister, Mrs. G. A. Murphy.

Mr. and Mrs. Denton Clark had a successful day of fishing in the San Joaquin river last Sunday. They came home with a string of 30 fish.

Mr. and Mrs. Raymond Osborn will have as house guests this week-end, Mrs. Helen Wiley and two children, Dotty Kaye and Jerry, from San Francisco.

Mr. and Mrs. Raymond Colwell entertained in their home last week-end Mr. and Mrs. Robert Wentz and baby daughter of Long Beach.

SCHOOL TO HAVE NEW PLAYGROUND

Construction work was started this week on plans made before the war for the improvement of facilities at the Decoto school, according to Principal E. L. Musick. The principal said that the school is preparing for a growing student body. Musick's figure for the average daily attendance during the past year is 393, the largest in the school's history.

Musick said that the present work for grading and surfacing the school grounds will give the students a complete primary playground. This will include tennis, volleyball and basketball courts which are being surfaced with a smooth finish. Grading work is also being done on the baseball diamond, which will be open to adults as well as school children. Musick said the diamond is regulation size, and when completed will be one of the best in the township.

SHOEMAKER THANKS LOCAL WOMEN

Mrs. George Holeman, chairman of the Camp and Hospital committee of the Washington Township Branch of the Oakland Chapter of the Red Cross, received the following letter from Shoemaker Hospital in appreciation of the work done by the local women at Shoemaker:

Dear Mrs. Holeman:

With the closing of Shoemaker Hospital, we wish to express our appreciation to you and the many individuals and organizations working with you who have been so generous in their gifts to our hospital during the past many months when it has been active. Without your sincere and efficient help we could not have carried the program of Red Cross here at the hospital.

Again, in behalf of those whom you have served, may we express our sincere appreciation.

Sincerely yours,
Miss Virginia Pfeiffer,
Field Director

FIRE CHIEF GUEST OF JUNIOR CHAMBER

Clarence Crane and Tony Alves, present and former fire chiefs of Niles, are the invited guests of next Tuesday night's meeting of the Niles Jnior Chamber of Commerce, President Lawrence Pine announced this week.

Edward E. Enos, program chairman for the evening, learned this week that Sam Whiting, general manager of the Alameda County Fair, will be present to address the chamber. Whiting will review the scope of next month's fair in Pleasanton.

The meeting is set for June 25 at 7 o'clock at the International Kitchen.

ALVARADO CLUB WINS SECOND BASEBALL GAME

It was the second game and the second win for the Alvarado Theater baseball club in their contest last Sunday with Ye Olde Inn of Oakland. Manager Jess Jacinto's boys defeated the visitors 8 to 2, with J. Shestack allowing four hits and striking out 14.

Lineup for the Alvarado club includes: J. Shestack, pitcher; J. Perry, catcher; S. Roderick, first base; H. Jacinto, second base; J. Dutra, third base; Ralph Chapman, shortstop; J. Sanshez, left field; E. Marshall, centerfield; C. Stewart, right field.

Jacinto, who is booking independent games through an Oakland baseball association, announced this week that next Sunday's game will be played with Chapel of the Oaks. The game is set for 2 o'clock in the afternoon at the Alvarado school grounds.

PEARCE PLAYS SATURDAY

Manager Al Ferrera announced this week that his Pearce Canning baseball club is ready for their first game. The Decoto team is meeting a navy team at Moffett Field at their grounds this Saturday.

The manager said the following players have signed to play with his club: Danny Cochero, Sam Cortez, L. Kelly, H. Fernandez, J. Gonsales. F. Cortez, V. Vargas and L. Guitterez.

FOUR CANDIDATES ARE INITIATED INTO ST. JUDE'S

Four candidates were initiated into St. Jude's Institute, Y.L.I., at their last meeting—Rosalyn Garcia, Eileen Harrison, Evelyn Piexoto and Anna B. Leal.

St. Jude's is sponsoring a float in the Apricot Festival and is also having a booth. Lorraine Garcia has charge of the float and Anne Perry is chairman of the booth.

Tuesday, June 25, is Brides' Night. At this time the bride of the year will be honored. Pearl Guardanapo will be chairman of the evening.

ROTARIANS HEAR ACCORDIONIST

It was a personal reunion for Bill Helm, Niles theater manager, when Johnny Toffoli, master of the accordion and former radio musician, appeared before this week's luncheon meeting of the Niles Rotary Club yesterday at the International Kitchen to present a group of accordion solos.

Helm's friendship with Toffoli goes back a number of years to the days of silent movies when Bill was a theater violinist. Helm was, in a way, an inspiration to the young boy who, when he grew up, became a master of the accordion and rose to the peak of popularity as a radio artist.

It was a thoroughly informal program that Johnny Toffoli gave to the Rotarians, mixing popular and classical music. He came back for repeated encores.

IT'S MUCH like a child's game when you do the family wash in one of the new Automatic Clothes Washers.

You get the soiled clothes *Ready*, and put them in the machine. You *Set* a few knobs or dials and the machine starts to *Go*. It washes clothes thoroughly, stops, drains itself and then rinses the clothes two or three times and finally spins the clothes damp dry.

The new automatic clothes washers are real time and labor savers. Your hands are never in water, you never have to lift heavy, wet clothes. You don't even have to stand-by! Your Automatic does the work of washing—all by itself—alone!

Plan now to have one of the new Automatic Clothes Washers in your home as soon as they are available. Consult your dealer now.
